Support Beirut Fund

Lebanon, 16 August 2020

Dear Rotary friends around the world,

[Beirut's explosion](#) has been classified as the biggest and worst we have ever experienced in the history of our city. It was 1/13th of Hiroshima's nuclear explosion. So far, at least 200 have died, more than 7,000 injured, 8000 homes and many hospitals partially or completely destroyed, and 300.000 displaced and homeless.

The Rotary and Rotaract clubs in Lebanon have mobilized their member volunteers to address food, medical and shelter needs. If anyone wishes to donate, they can send the funds through the bank account details below. The immediate support will be a preparation of food boxes and medical supplies, babies' kits for affected families.

We have prepared a list of the medical supplies needed which can be sent through air cargo to your country embassy address in Beirut. If you wish to send supplies, please contact us on dg1819micheljazzar@gmail.com and cc rita-imad@live.com and we shall provide you with a physical address.

If you wish to send financial transfers, below are the bank details:

Bank: Bank Audi SAL

Branch: Bab Idriss

City: Beirut

Country: Lebanon

Swift code: AUDBLBBX

Beneficiary: ROTARY ASSOCIATION - LEBANON.

Beneficiary's address (required for international transfers): Gedco Center, Horsh Tabet, Sin el Fil, Beirut, Lebanon.

IBAN: LB06 0056 0000 0000 0084 1200 0024

No donation is too small. A food box that can feed a family for a week costs around \$25.

Replacing a 4 m2 glass window costs around \$200. We will also be using the funds to buy tents, blankets and other similar supplies. We will be reaching out to the families who are most affected and have no means to support themselves.

Thank you in advance for your humane, selfless support.
