Civic Education and Peacebuilding Rotary Year 2018 - 2019

“Tell me and I forget.

Show me and I remember.

Let me do and I understand.”

Confucius

Abstract

Rotary has its core values that promote integrity, and advance world understanding, goodwill, and peace through fellowship of school, business, professional, and community leaders.

What are these core values, why Rotarians...?

How can these values be integrated into our communities, and how do they affect our daily relations?

A. Background:

Dear fellow Rotarians, Rotaractors, Interactors and Friends of Rotary,

Peace has always been a top priority of Rotary since it was founded 113 years ago. Rotary’s commitment to building the conditions for sustainable peace meets the pillars of “the positive peace” defined as the attitudes, institutions and structures that create and sustain peaceful societies.

Through our service projects, peace fellowships, and scholarships, Rotarians are taking action to address the underlying causes of conflict, including poverty, inequality, ethnic tension, lack of access to education, and unequal distribution of resources...

Today, as 2018 -2019 Governor of District 2452 which brings together nine countries (across 3 continents and 5 different languages) united by common values and vision for the future, I invite you to be part of the District 2452 pilot project “Civic education for Peacebuilding ” merging two areas of focus “peace” and “education” into one. But the question is why Civic Education for Peacebuilding? Why only in District 2452?

I believe that together we can be the inspiration to our communities, to our world. Together we can turn ambitious ideas into life-changing realities.

Fellow Rotarians, let us be leaders by implementing our core values in our communities, in our business & profession but most important in our schools by developing the skills and attitudes of our youth as “youth is our future”.

Here are some recommendations, explained in this booklet, for taking Civic Education in your community or school to the next level to reach peaceful relation:

CIVIC EDUCATION AND PEACEBUILDING – RY 2018-2019

- *Use the 5 Rotary core values and the 4-way test to demonstrate measurable improvement in civic knowledge, skills, and dispositions.*
- *Seek out schools who want to implement this pilot project and sign a MOU by providing ideas on how to set effective goals and effective strategies for meeting them.*
- *Provide materials and support explaining the Rotary core values and the four-way test, including the Object of Rotary and the club community service or Civic Education for Peacebuilding projects. We cannot expect schools to deliver high-quality results without informing them about us - the club/the rotary- and making them understand our motto “service above self”.*
- *Develop and implement projects or events that support the five core values and the 4-way test.*

At the end, special thanks for the District Area of Focus Committee Chair Dr. Ghada Ayoub and all the members for the time and efforts to make this pilot project see the light.

As President of Rotary International 2018-19, Barry Rassin says “Rotary is not only a model but an inspiration”

D.G. Michel Jazzar
District 2452, RY 2018 - 19

CIVIC EDUCATION AND PEACEBUILDING – RY 2018-2019

Fellow Rotarians,

Seeing that we have reached a tipping point in civic education, where the future of our kids is at risk, and with a strong belief that “Youth is our future”, the District Governor Dr. Michel Jazzar took the initiative to take concrete steps toward cultivating more civically engaged young people.

*The Pilot Project of the District 2452 for the Rotary Year 2018-19 “**Civic Education for Peacebuilding**” is to make civic education for peacebuilders alive and provide a way forward and clearly represent a step in the right direction. We aspire to cultivate generations of young people who want to play a role in their community, by providing them with regular opportunities to engage in civic learning activities and essential core values so they can tackle real-life challenges.*

*Students cannot be expected to be civically engaged simply by reading. “They can only learn how to be engaged civically by being civically engaged”, keeping in mind the fact that **civic education** takes place at all stages of life, and in many venues other than schools.*

The highlights of this program were discussed during two brainstorming retreats, PETS and GETS, and several meetings and seminars, in order to shape it to be applicable in the 9 countries of the District 2452.

The Final Framework couldn’t be achieved without all the contributions and assistance of the DAOF committee, helped by a very distinguished team of experts Rotarian and non-Rotarian.

At the end, we should help our students to better understand their relationships with society and the world by providing them with opportunities to be engaged as citizens today and on the future because we believe that :

“Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.”

B. Description:

The purpose of this guidebook is to serve as a resource for Rotary Clubs' presidents, the rotary clubs and their partners who want to put this pilot project in place. This guidebook provides guidelines and a roadmap. It also carries practical suggestions as how to implement this pilot project in schools and classrooms, and how to apply for the grants and the awards.

C. Objectives:

Our objectives are:

- 1- **Helping schools in funding civic education and/or peacebuilding activities.**
- 2- **Participating in activities related to civic education and/or peacebuilding.**
- 3- **Promoting the Rotary core values, the 4-Way Test and the Object of Rotary.**

D. Guiding principles:

For more than 100 years, our guiding principles have been the foundation upon which our values and tradition stand. The Four-Way Test, Object of Rotary, and the Avenues of Service express our commitment to **service, fellowship, diversity, integrity, and leadership**. These principles have been developed over the years to provide Rotarians with a strong, common purpose and direction. They serve as a foundation for our relationships with each other and the achievements we do in the world.

1- Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

2- Avenues of Service

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

- Club Service focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
- Vocational Service calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society.

- Community Service encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest.
- International Service exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.
- Youth Service recognizes the importance of empowering youth and young professionals through leadership development programs such as Rotaract, Interact, Rotary Youth Leadership Awards, and Rotary Youth Exchange.

3- Rotarian Code of Conduct

The Rotarian Code of Conduct provides a framework for ethical behavior that all Rotarians can use, together with The **Four-Way** Test, in their business and professional activities.

As a **Rotarian**, I will:

1. Act with integrity and high ethical standards in my personal and professional life.
2. Deal fairly with others and treat them and their occupations with respect.
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people’s quality of life in my community and in the world.
4. Avoid behavior that reflects adversely on Rotary or other Rotarians.

4- The Rotary Four-Way Test

The Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships. The test has been translated into more than 100 languages, and Rotarians recite it at club meetings.

<u>The Four-Way Test :</u>	<u>الاختبار الرباعي:</u>	<u>Le Critère des quatre questions :</u>
Of the things we think, say or do	لما نفكر فيه، نقوله أو نفعله	Avant de parler et d’agir, les rotariens se posent les questions suivantes :
1. Is it the Truth?	1. هل هو الصدق؟	1. Est-ce vrai ?
2. Is it Fair to all concerned?	2. هل ينصف جميع المعنيين بالأمر؟	2. Est-ce juste ?
3. Will it build Goodwill and better Friendships?	3. هل سيحقق النية الحسنة وأفضل الصداقات؟	3. Est-ce source de bonne volonté et d’amitié ?
4. Will it be beneficial to all concerned?	4. هل سيعود بالمنفعة على كل المعنيين بالأمر؟	4. Est-ce équitable et bénéfique pour chacun ?

5- The Rotary core values

Rotary was founded on principles that remain at the heart of the organization today. These principles reflect our core values — integrity, diversity, service, leadership, and fellowship.

Rotary core values	Les valeurs fondamentales du Rotary	قيم الروتاري الأساسية
Integrity <i>We honor our commitments</i>	Intégrité <i>Nous honorons nos engagements</i>	النزاهة نحترم التزاماتنا.
Diversity <i>We connect diverse perspectives</i>	Diversité <i>Nous connectons diverses perspectives</i>	التنوع نبني جسور التواصل بين وجهات نظر متنوعة.
